## SUMMARY

Experienced 2D/3D artist with over 15 years of experience, specializing in animation, layout, storyboarding and design in the animation industry. I've worked on numerous 3D TV series, TV commercials and teasers. I am proficient in several software packages, including Mudbox, Maya, After Effects, Photoshop, Substance Painter, Marmoset Toolbag, Premiere, Digicel FlipBook, Moho, Illustrator, Character Creator 4 and Unreal Engine 5 (basic level). I'm fluent in French and have basic knowledge of English and Italian.
